

## Every kind of scene to blow off some steam.

As more bars and restaurants continue to emerge in downtown Greenville, your happy hour options are always on the rise. Our team at The Parker Group has put together a list of our personal favorite spots that offer a one-of-a-kind atmosphere that can be found only in downtown Greenville. Trust us, we've done our research!

### The Commons

**147 Welborn St. Suite B1**

The Commons is a pedestrian family-friendly gathering space located just outside the heart of downtown Greenville. The space was created to celebrate the downtown energy and connect it with the enjoyment of relaxed entertainment and recreation. Located within The Commons is The Community Tap where you'll find your new favorite draft in a unique Greenville atmosphere.

### Up On the Roof

**250 Riverplace in Downtown**

Featuring unparalleled views, hand-crafted cocktails, artisan wines, craft beers, and a small plates menu that highlights locally-sourced seasonal ingredients, Up on the Roof offers a unique rooftop experience. Whether you're looking for the perfect brunch retreat, want a romantic date night dinner spot, or are ready to sit back, relax and cozy up around an outdoor fire with a cocktail in hand, the sky's the limit at Up on the Roof.

## Vault and Vator

655 S Main St

Vault and Vator is downtown Greenville's first and only speakeasy-style lounge offering hand-crafted, made-to-order cocktails inspired by the Golden Age. Tucked away in a subterranean basement space, you'll find the original Vault and Elevator built and occupied by Dr. Pepper Cola Co. during the turn of the century. Vault and Vator prides itself on its authenticity so check out their website before heading over to get a taste of their style.

## Juniper

315 S Main St

Looking for another rooftop venue? Juniper has become a popular Greenville destination and has already garnished quite a name for itself. Located eight floors above Greenville's main street, Juniper offers ample space and always-stellar cocktails and food. With a unique vibe, Juniper offers a unique menu of interesting creations that are always delicious. If you are looking to try it out, make sure to make reservations in advance.

## Bar WXYZ at the Aloft Hotel

### 5 North Laurens Street

Spend happy hour and keep the party going all night long at the upbeat Bar WXYZ at the Aloft Hotel.

With live DJs and acoustic bands throughout the week, this is a popular spot for new local talent to be discovered. This bar also boasts a variety of impressive signature drinks, pints, and wine. This is truly a great place to mingle with friends, enjoy a drink, and listen to the live music that Greenville has to offer.
